

Late - 1

This is Living At The End – L.A.T.E – for we are **late** into the prophetic timeline of earth's history and you and I must know how to live successfully and to be an effective witness for present truth in these perilous times. Using the Word of God and the Spirit of Prophecy this SWM program seeks to provide the spiritual and physical tools we need for daily living at the end of time.

In each program, we will pose questions pertinent to God's remnant people living at the end of time; have a Time of the End Feature; a Healthful Living Feature; provide answers to the questions posed; and recommend Take Away Tips from our discussions for Living at the End. This is your host Brother Nanton. Let us pray.

Time of the End Feature – Threshold of the Crisis of the Ages

Teach Prophecies Before they are Fulfilled

Are we to wait until the fulfilment of the prophecies of the end before we say anything concerning them? Of what value will our words be then? Shall we wait until God's judgments fall upon the transgressor before we tell him how to avoid them? Where is our faith in the Word of God? Must we things foretold come to pass before we will believe what He has said? In clear, distinct rays light has come upon us, showing us that the great day of the Lord is near at hand 'even at the doors.' Let us read and understand before it is too late. **9T 20**

The solemn message that have been given in their order in the Revelation are to occupy the first place in the minds of God's people. Nothing else is to be allowed to engross our attention. **8T 302**

Let the watchmen now lift up their voice and give the message which is present truth for this time. Let us show the people where we are in prophetic history. **5T 716**

Let Daniel speak, let Revelation speak and tell what is truth. But whatever phase of the subject is presented, uplift Jesus as the center of all hope. **TM 118**

The Lord is coming. We hear the footsteps of an approaching God as He comes to punish the world for its iniquity. **Ev 219**

We are now living in the closing scenes of the world's history. Let men tremble with the sense of the responsibility of knowing the truth. The ends of the world are come. Proper consideration of these things will lead all to make an entire consecration of all that they have and are to their God. **Ev 16**

If our people were half awake, if they realized the nearness of the events portrayed in the Revelation, a reformation would be wrought in our churches, and many more would believe the message. **TM 118**

Healthful Living Feature – Health Reform

Health Reform Vision

In the light given me so long ago [1863] the Lord presented a general plan before me. I was shown that God would give to His commandment-keeping people a reform diet, and that as they received this, their disease and suffering would be greatly lessened. I was shown that this work would progress. **CD 481, 482**

Health reform is a subject that we must understand in order to be prepared for the events that are close upon us, and it should have a prominent place. **CH 453**

True conversion to the message of present truth embraces conversion to the principles of health reform. **6 Bio 199**

The work of health reform is the Lord's means of lessening suffering in our world and for purifying His church. **CD 77**
